| Sun 13 <sup>th</sup> December  | Railway timetable change                           |

Sunday is the default day of change, but operators have the flexibility to register service changes for the Saturday before or the Monday after the Sunday dates given above.

Extended times for roadside posting may occur for service changes after Christmas and around Easter due to the public holidays.

The dates which relate to school term start dates are based on the default Hertfordshire schools calendar. We accept that some operators may need flexibility to time service changes with term dates of neighbouring areas which may be different.
