A **Qualifying Bus Service** is defined as a registered local bus service with one or more stopping place(s) within the geographical area of the Enhanced Partnership, with the exception of:

- Any schools or works registered local bus service not eligible for Bus Service Operators Grant
- Any cross-boundary registered local bus service with less than 10% of its registered mileage within the Enhanced Partnership area, based on normal weekly mileage
- Any services operated under Section 22 of the 1985 Act (ie. community transport bus services)
- Any registered local bus service which is an excursion or tour

**HCC** is the registration authority for all local bus services that operate wholly within Hertfordshire, plus services that cross into the Greater London area but do not cross any other boundary with Hertfordshire  
The Office of the Traffic Commissioner (**OTC**) remains the registration authority for all other cross-boundary services
