Intalink Multi-Operator Ticket Sales Returns

Contract / Variation reference:

Proposed by: Hertfordshire County Council

Date of variation agreement: 11th November 2021

Words and phrases contained within this variation agreement have the meanings and definitions prescribed to them as in the Intalink Enhanced Partnership Plan and Scheme (February 2020).

The Facilities and Requirements outlined in this Enhanced Partnership Variation Agreement (including any attachments) relate to the Facilities, Measures and Requirements variations referenced in Part B, section 7 of the Intalink Enhanced Partnership Plan and Scheme document.

1. The following variation of Multi-operator ticketing schemes and sales data collection by Hertfordshire County Council:

The Enhanced Partnership Plan and Scheme has carried through the multi-operator ticketing schemes that have been in place for some years. Participation in these ticketing schemes is now mandatory for all qualifying services. The schemes are specifically:

- Intalink Explorer
- St Albans BUSnet
- Watford BUSnet
- Hemel Hempstead BUSnet
- Welwyn Hatfield BUSnet
- Colney 7

plus other schemes as may be introduced and agreed by the Partnership Board

We re-introduce, as was in place some years ago, collection of returns on sales of the above. Monitoring of sales of the various tickets and options will help us with further development work on our ticket products. We have devised a simple form, provided separately, to collect this data which operators will be required to complete and submit on a periodic basis. The dates for return will be circulated as a separate document by the end of September for the calendar year following.

3. These variations are to take effect on 4th January 2021

Requirements placed on Operators in this document apply to all current and future Operators of Qualifying Bus Services from the above date until the extinguishment of the Intalink Enhanced Partnership.
